Non-Resident Player (NRP) Passports for AA/A Tryouts, Permission to Skate (PTS) Forms for AAA Tryouts and Permission to Skate (PTS) for Junior

Tryouts for all centers will not begin until the conclusion of the OHF Championships for the 2016-17 season. AAA tryouts cannot start until April 11th, 2016. AA /A tryouts cannot start until after AAA are finished. **All players requesting NRP Passports or PTS Forms MUST be pre-registered with CMHA before the forms will be given out.**

Every player Peewee age and up is eligible to try out for an AA or an A team nearest his/her home. The player must request a NRP Passport from their Home Centre (CMHA) if they wish to tryout for either AA or A hockey. The player under **NO** circumstances is permitted to try out for both. A player wishing to attend a “AAA Zone” tryout you will need to request a AAA - PTS Form. A player wishing to attend a junior team tryout will require a Junior – PTS Form.

The Process:

The player must pre-register with CMHA by completing the 2016-17 Online Registration Form and indicate whether they require a NRP, PTS or both. Below is the link to the online registration form.

<http://coldwaterwildcats.ca/Forms/1415/>

Once completed Danny Bell-OMHA Centre contact will contact you with the required forms.

Please Note:

THE NRP PASSPORT IS NOT A PLAYER RELEASE NOR IS IT A “AAA” PERMISSION TO TRYOUT FORM. Non-Resident Passports are the “new kid in town”. These forms are very simple numbered forms “8 X 5.5”. There are three copies to a form and we complete them with name of player, date of birth, team we are giving you permission to skate with, our name, title and date. When CMHA completes the NRP passport, they keep the top copy and give the other two to the player.

Players can try out at AAA but this is not mandatory. Players can tryout at AA or A (not both) and if they are not offered a spot on the AA or A team they return home. The AA or A team is allowed to only accept 3 NRP players. The player cannot tryout for another AA or A team if cut.

The CMHA is a compassionate organization but we are all persons with a great many things to look after aside from your child's hockey aspirations outside our organization. Please make every effort to get the request for forms in as soon as possible.

Thank you and good luck,

Danny Bell
