- Players receiving a penalty while 3 on 3 will be penalized for the full duration of the penalty.
- The opposing team will add one player to make it 4 on 3 and subsequently 5 on 3 if additional penalties occur.
- When players leave the penalty box, play will continue as 4 on 4 etc until a stoppage in play will allow for a reset of 3 on 3.

**3 Shot Shoot-out**

- If the game is still tied at the end of the 5 min overtime period, a 3 player shoot-out will commence.
- Each team picks 3 shooters.
- Any player in the penalty box at the end of overtime will remain there and **NOT** participate in the shoot-out
- With both teams shooting at the same time all 3 shooters will take their penalty shots.
- If still tied after the 3 shooters, the shoot-out becomes “sudden death”
- Additional shooter will come from the players remaining on the bench and there will be no duplicate shooters until every player has taken a shot.
