

Coldwater and District Minor Hockey Association
OPERATIONS MANUAL
Revised March 2025

This manual contains the “Operational Guidelines” established by the Coldwater & District Minor Hockey Association for use by all participants in minor hockey programs, including players, team officials, parents and spectators. It aims to concretely establish the goals and objectives set out in the Constitution of the Coldwater Minor Hockey Association, which are to promote, encourage and govern minor hockey for boys and girls in Coldwater and the surrounding areas. While doing so, we should cultivate a spirit of sportsmanship among all participants and to promote fair play in a friendly competition. Additionally, it aims to provide an equal opportunity for each member of the Association to play and understand the sport of hockey.

The Executive of the Association has compiled all operating policies into this manual to give players, parents and team officials a handy reference for those policies which govern the actual operation of the hockey program by the Association.

POLICY ONE: GENERAL

1.1 All members of the Association will abide by the Rules and Regulations of the Constitution.

1.2 All members of the Association will abide by the Rules & Regulations of the OMHA & CHA.

1.3 All members of the Association will show true sportsmanship during and after games towards ice officials, players, team officials and other spectators.

1.4 The Association will make annual applications to the OMHA, Georgian Bay Minor Hockey League (GBMHL) and the Georgian Bay Triangle Local League (GBTLL).

1.5 The Association will develop a policy on Abuse and Harassment and the Police Record Checks and that they will appoint a person to administer the Police Record Checks. This individual will be responsible for obtaining the checks and dealing with any that are positive in a CONFIDENTIAL MANNER. The guidelines for both these issues will be available from the Minor Hockey Executive on request.

POLICY TWO: PLAYERS

2.1 All players will be taught to the best of this Association’s ability, true sportsmanship, good fellowship and the game of hockey.

2.2 All players must be four years of age by December 31 of the registration year.

2.3 The Operations Committee will handle movement of players between divisions and teams when circumstances warrant. Players who wish to play up an age group should be in the top third after player evaluation skates.

2.3.1 Player movement after the initial team selection can be requested by the teams coach or player in writing to the operations committee up to the OMHA imposed deadlines for finalizing rosters. The Operations Committee will decide to grant or deny the movement after consultation with coaches, parents, team officials and players. Final date to move players within the association is October 31st.

POLICY THREE: TEAMS

3.1 The Association will create teams in each division of hockey when numbers warrant.

3.2 The minimum number of players for each team may be 10 players and one goalie. The maximum number of players for each team may be 17 and two goalies. U21 may have 25 on the roster.

3.3 When only one team is entered in a division that is in the OMHA, the Association may request the OMHA to re-classify that team to a lower classification

3.4 All players on a team are expected to attend games and practices. Where a team fails to have full participation at a practice for unjust reasons, the Operations Committee may cancel further practices for that team while accommodating the players who wish to attend practices

POLICY FOUR: AFFILIATED PLAYERS

4.1 Affiliated players are players who have been affiliated to one of the local league teams in an older division from a local league team within the association on which they play.

4.2 Affiliated players are covered by the OMHA guidelines

4.6 A team will use the affiliated players at games and practices at the discretion of the coach of the affiliated players team and the Operations Committee. The Operations Committee will seek the input of the House/Local League Coaches with respect to the same.

4.7 All affiliated players must fulfil their commitments to the team they are originally selected to play for first. Missing games and practices make them ineligible to play as affiliated players.

4.8 Where a player is registered in both the Coldwater & District Minor Hockey Association and a Girls' Hockey League the Coldwater & District Minor Hockey Association considers the CMHA team the player's primary team and the girl's team the affiliated team. Therefore girls playing in both leagues must fulfill their commitment to the CMHA.
